

GENERAL

The Stable, Stable Games Room, Pop Up Shop and Food Shop is smack in the middle of the towns creative quarter, sandwiched between both historic theatres, and a stones throw from the beautiful gardens of Grove Park.

Every month for the last few years we have run a very popular Artisan Makers Market, but with everyone seemingly doing that now, visitor numbers are being watered down, so we have decided it's time to shake things up a little bit!

So... NEW for 2023 are our Vintage, Flea & Makers Markets!

How do I make a booking?

Simply contact us to check date availability. Once your dates are confirmed, you will need to create an account with us to confirm your booking and make payment. Payment is required within 24 hours of the booking being invoiced or it will automatically be cancelled, and the dates released. No booking is confirmed until payment had been received. Our payment system is automated, and you will be sent an email containing a link to make a card payment or to pay by direct debit.

We do not hold dates; all bookings are on a first come first served basis.

How do I set up an account?

To make a booking you need to set up an account. Our back office system is called Nexodus. Please follow this link and enter your details, do not choose any plans or packages. Once you have created an account we will create a booking for you. <https://thestablehub.spaces.nexodus.com/en/signup>

Can I tour a space before booking it?

Yep sure, there may be someone using the space but we can normally find time to let you have a quick tour

What do I need to set up my market stall?

We provide you with a 6ft space and a table and chair. You are welcome to bring your own table and chair if you prefer. Tables vary in size.

There are loading bays outside of The Stable and The Stable Games Room. Feel free to unload your stock into the reception and then move your car to a parking space.

It is free to park on the streets around The Stable on Sundays and Grove Park Car Park is at the end of our road, or The Sovereign Car Park is £3 per day with entry before 9am and exit before 6:30pm only.

What are the set up and opening hours?

Set up is from 8am and doors open at 10am

The Market closes at 2pm and the building needs to be cleared by 4pm

Can I serve alcohol from my market stall?

You will need to check with North Somerset Licensing about the serving of alcohol and if allowed will require a Temporary Events Notice

[Temporary event notice | North Somerset Council \(n-somerset.gov.uk\)](https://www.n-somerset.gov.uk)

Professional (brand) profile

You need to create a professional profile to describe your brand, your concept and your products or services. A professional profile is mandatory to send a booking request. The professional profile helps us to promote you in the build up to the markets and whilst you are at the event.

How do I set up a brand profile?

Once you have created your Nexodus account, you will find a section called Professional Profile.

You can access your Nexodus account here [Sign in to Nexodus Platform](#)

Is insurance required to rent space?

Yes, you will more than likely want to take market stall insurance that provides you with public, and product liability insurance.

Is the price on the listing page what I pay?

Yep, unless you agree any additional equipment / use etc with us.

Can I rent a space with someone else?

No, sorry but we often find this gets messy.

What if I need to cancel my booking?

Once a space has been booked, we do not offer refunds unless we are able to resell the space.

Notification of cancellations should be made in writing and will be effective on the date received by The Stable

Other information

Spaces are allocated on a first come first served basis.

We do not reserve spaces, so you should not expect to be in the same space every time. We have, sack trucks and a lift to all floors. Rotation keeps the market fresh and different for visitors.

We provide free tea / coffee and biscuits to stall holders throughout your visit with us.

There are accessible toilets on all floors.

The café and pub will be open serving food and drinks throughout the day.

There will be a stallholder lunch available for £5 per person.

Please tag us and add us as hosts to your social media posts, as this means we can help to promote you @thestableweston @thestablegamesroom
